

**C8051F362-C-GMR Information**

For Reference Only

**Part Number** [C8051F362-C-GMR](#)  
**Manufacturer** Silicon Labs  
**Category** Integrated Circuits (ICs)  
[Embedded - Microcontrollers](#)  
**Description** IC MCU 8BIT 32KB FLASH 28QFN  
**Package** 28-VFQFN Exposed Pad

| Manufacturer               | Silicon Labs                                                             |
| Category                   | Integrated Circuits (ICs)<br><a href="#">Embedded - Microcontrollers</a> |
| Package                    | 28-VFQFN Exposed Pad                                                     |
| Series                     | C8051F36x                                                                |
| Core Processor             | 8051                                                                     |
| Core Size                  | 8-Bit                                                                    |
| Speed                      | 100MHz                                                                   |
| Connectivity               | SMBus (2-Wire/I2C), SPI, UART/USART                                      |
| Peripherals                | POR, PWM, Temp Sensor, WDT                                               |
| Number of I/O              | 25                                                                       |
| Program Memory Size        | 32KB (32K x 8)                                                           |
| Program Memory Type        | FLASH                                                                    |
| EEPROM Size                | -                                                                        |
| RAM Size                   | 1K x 8                                                                   |
| Voltage - Supply (Vcc/Vdd) | 3 V ~ 3.6 V                                                              |
| Data Converters            | A/D 17x10b; D/A 1x10b                                                    |
| Oscillator Type            | Internal                                                                 |
| Operating Temperature      | -40°C ~ 85°C (TA)                                                        |
| Mounting Type              | -                                                                        |
| Package / Case             | 28-VFQFN Exposed Pad                                                     |
| Supplier Device Package    | 28-QFN (5x5)                                                             |

## C8051F362-C-GMR Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## C8051F362-C-GMR Payment Methods

## C8051F362-C-GMR Shipping Methods

If you have any question about C8051F362-C-GMR, please do not hesitate to contact us!
