

**C8051F960-B-GQ Information**

For Reference Only

**Part Number** [C8051F960-B-GQ](#)  
**Manufacturer** Silicon Labs  
**Category** Integrated Circuits (ICs)  
[Embedded - Microcontrollers](#)  
**Description** IC MCU 8BIT 128KB FLASH 80TQFP  
**Package** 80-TQFP

| Package                    | 80-TQFP                                                                  |
| Series                     | C8051F9xx                                                                |
| Core Processor             | 8051                                                                     |
| Core Size                  | 8-Bit                                                                    |
| Speed                      | 25MHz                                                                    |
| Connectivity               | I2C, SPI, UART/USART                                                     |
| Peripherals                | DMA, LCD, POR, PWM, WDT                                                  |
| Number of I/O              | 57                                                                       |
| Program Memory Size        | 128KB (128K x 8)                                                         |
| Program Memory Type        | FLASH                                                                    |
| EEPROM Size                | -                                                                        |
| RAM Size                   | 8.25K x 8                                                                |
| Voltage - Supply (Vcc/Vdd) | 1.8 V ~ 3.8 V                                                            |
| Data Converters            | A/D 16x10b/12b                                                           |
| Oscillator Type            | Internal                                                                 |
| Operating Temperature      | -40°C ~ 85°C (TA)                                                        |
| Mounting Type              | -                                                                        |
| Package / Case             | 80-TQFP                                                                  |
| Supplier Device Package    | 80-TQFP (12x12)                                                          |

## C8051F960-B-GQ Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## C8051F960-B-GQ Payment Methods

## C8051F960-B-GQ Shipping Methods

If you have any question about C8051F960-B-GQ, please do not hesitate to contact us!
