

**CLE-183-01-G-DV Information**

For Reference Only

**Part Number** [CLE-183-01-G-DV](#)  
**Manufacturer** Samtec Inc.  
**Category** Connectors, Interconnects  
[Rectangular Connectors - Headers, Receptacles, Female Sockets](#)  
**Description** CONN RCPT 166PS .8MM DL GOLD SMD  
**Package** -

| Number of Positions               | 166                                                                                                        |
| Number of Positions Loaded        | All                                                                                                        |
| Pitch - Mating                    | 0.031" (0.80mm)                                                                                            |
| Number of Rows                    | 2                                                                                                          |
| Row Spacing - Mating              | 0.047" (1.20mm)                                                                                            |
| Mounting Type                     | Surface Mount                                                                                              |
| Termination                       | Solder                                                                                                     |
| Fastening Type                    | Push-Pull                                                                                                  |
| Contact Finish - Mating           | Gold                                                                                                       |
| Contact Finish Thickness - Mating | 10µin (0.25µm)                                                                                             |
| Insulation Color                  | Black                                                                                                      |
| Insulation Height                 | 0.130" (3.30mm)                                                                                            |
| Contact Length - Post             | -                                                                                                          |
| Operating Temperature             | -55°C ~ 125°C                                                                                              |
| Material Flammability Rating      | UL94 V-0                                                                                                   |

|                        |      |
|------------------------|------|
| Contact Finish - Post  | Gold |
| Mated Stacking Heights | -    |
| Ingress Protection     | -    |
| Features               | -    |
