

# **CS-018-114.285M Information**

For Reference Only

Part Number CS-018-114.285M Manufacturer Connor-Winfield

Category Crystals, Oscillators, Resonators

Crystals

**Description** CRYSTAL 114.2850MHZ 18PF SMD

Package 4-SMD, No Lead

## **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

## CS-018-114.285M Specifications

|                                    | Report error                          | ors? |
|------------------------------------|---------------------------------------|------|
| Height - Seated (Max)              | 0.031" (0.80mm)                       |      |
| Size / Dimension                   | 0.126" L x 0.098" W (3.20mm x 2.50mm) |      |
| Package / Case                     | 4-SMD, No Lead                        |      |
| Mounting Type                      | Surface Mount                         |      |
| Ratings                            | -                                     |      |
| Operating Temperature              | -40°C ~ 85°C                          |      |
| Operating Mode                     | 3rd Overtone                          |      |
| ESR (Equivalent Series Resistance) | 80 Ohm                                |      |
| Load Capacitance                   | 18pF                                  |      |
| Frequency Tolerance                | ±100ppm                               |      |
| Frequency Stability                | ±100ppm                               |      |
| Frequency                          | 114.285MHz                            |      |
| Туре                               | MHz Crystal                           |      |
| Series                             | CS-018                                |      |
| Package                            | 4-SMD, No Lead                        |      |
|                                    | Crystals                              |      |
| Category                           | Crystals, Oscillators, Resonators     |      |
| Manufacturer                       | Connor-Winfield                       |      |
| Manufacturer Part Number           | CS-018-114.285M                       |      |

### **CS-018-114.285M Guarantees**

### **Quality Guarantees**

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

#### **Service Guarantees**

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

### CS-018-114.285M Payment Methods

### CS-018-114.285M Shipping Methods

If you have any question about CS-018-114.285M, please do not hesitate to contact us!
