

## CTV07RW-11-99JC Information

Heisener.com

Part Number CTV07RW-11-99JC

Manufacturer Amphenol Aerospace Operations

Category Connectors, Interconnects

**Circular Connectors** 

**Description** CONN RCPT FMALE 7POS GOLD CRIMP

Package -

## **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

# CTV07RW-11-99JC Specifications

| Manufacturer Part Number     CTV07RW-11-99IC       Manufacturer     Amphenol Aerospace Operations       Category     Connectors, Interconnects       Package     -       Series     MIL-DTL-38999 Series III, Tri-Start? TV       Connector Type     Receptacle, Female Sockets       Number of Positions     7       Shell Size - Insert     11-99       Shell Size, MIL     -       Mounting Type     Panel Mount, Bulkhead - Front Side Nut       Termination     Crimp       Fastening Type     Threaded       Orientation     C       Ingress Protection     Environment Resistant       Shell Material, Finish     Composite, Olive Drab Cadmium Plated       Contact Finish     Gold       Features     Shielded       Voltage - Rated     -       Current Rating     -       Report errors?                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |                          |                                         |
