

### **D22022LH Information**

Heisener.com

For Reference Only

Part Number D22022LH
Manufacturer NKK Switches
Category Switches

Toggle Switches

**Description** SWITCH TOGGLE DPDT 0.4VA 48V

Package

### **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

# **D22022LH Specifications**

Manufacturer Part Number         D22022LH           Manufacturer         NKK Switches           Category         Switches           Package         -           Series         D2           Circuit         DPDT           Switch Function         On-On           Current Rating         0.4VA (AC/DC)           Voltage Rating - AC         48V           Voltage Rating - DC         48V           Actuator Type         Locking Lever           Actuator Length         19.40mm           Illumination         Non-Illuminated           Illumination Type, Color         -           Illumination Voltage (Nominal)         -           Mounting Type         Through Hole, Right Angle           Termination Style         PC Pin           Panel Cutout Dimensions         -           Bushing Thread         Unthreaded           Ingress Protection         -           Features         -           Features         -

#### **D22022LH Guarantees**

#### **Quality Guarantees**

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

#### **Service Guarantees**

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## **D22022LH Payment Methods**

### **D22022LH Shipping Methods**

If you have any question about D22022LH, please do not hesitate to contact us!
