

**DF11C-32DP-2V(57) Information**

For Reference Only

**Part Number** DF11C-32DP-2V(57)  
**Manufacturer** Hirose Electric Co Ltd  
**Category** Connectors, Interconnects  
 Rectangular Connectors - Headers, Male Pins  
**Description** CONN DUAL  
**Package** -

| Contact Type               | Male Pin                                                                 |
| Pitch - Mating             | 0.079" (2.00mm)                                                          |
| Style                      | Board to Board or Cable                                                  |
| Shrouding                  | Shrouded - 4 Wall                                                        |
| Number of Positions        | 32                                                                       |
| Number of Positions Loaded | All                                                                      |
| Number of Rows             | 2                                                                        |
| Row Spacing - Mating       | 0.079" (2.00mm)                                                          |
| Mounting Type              | Surface Mount                                                            |
| Termination                | Solder                                                                   |
| Fastening Type             | Detent Lock                                                              |
| Contact Length - Mating    | -                                                                        |
| Contact Length - Post      | -                                                                        |
| Overall Contact Length     | -                                                                        |
| Insulation Height          | 0.284" (7.20mm)                                                          |
| Contact Shape              | Circular                                                                 |
| Contact Finish - Mating    | Gold                                                                     |

|                                   |                                  |
|-----------------------------------|----------------------------------|
| Contact Finish Thickness - Mating | 8µin (0.20µm)                    |
| Contact Finish - Post             | -                                |
| Contact Material                  | Brass                            |
| Insulation Material               | Polyamide (PA), Nylon            |
| Features                          | Pick and Place, Solder Retention |
| Operating Temperature             | -30°C ~ 85°C                     |
| Ingress Protection                | -                                |
| Material Flammability Rating      | UL94 V-0                         |
| Insulation Color                  | Beige                            |
|                                   | <a href="#">Report errors?</a>   |

## DF11C-32DP-2V(57) Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## DF11C-32DP-2V(57) Payment Methods

## DF11C-32DP-2V(57) Shipping Methods

If you have any question about DF11C-32DP-2V(57), please do not hesitate to contact us!
