

### DX0507/GN/24 Information

Heisener.com

Part Number DX0507/GN/24

Manufacturer Bulgin

Category Optoelectronics

Panel Indicators, Pilot Lights

**Description** VANDAL RESISTANT LED PMI GREEN

**Package** 

For the pricing/inventory/lead time, please contact

### **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

# DX0507/GN/24 Specifications

Manufacturer Part Number         DX0507/GN/24           Manufacturer         Bulgin           Category         Optoelectronics           Panel Indicators, Pilot Lights           Package         -           Series         -           Type         LED           Lamp Color         Green           Lens Color         -           Ratings         DC           Voltage         24V           Current         25mA           Panel Cutout Shape         Round           Panel Cutout Dimensions         12.1" (307.34mm)           Lens Style/Size         Round with Flat Top           Millicandela Rating         100mcd           Wavelength - Peak         -           Viewing Angle         -           Termination Style         Wire Leads - 0.67" (17.00mm)           Ingress Protection         IP67           Features         -           Report errors?

### DX0507/GN/24 Guarantees

### **Quality Guarantees**

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

#### **Service Guarantees**

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

# DX0507/GN/24 Payment Methods

### DX0507/GN/24 Shipping Methods

If you have any question about DX0507/GN/24, please do not hesitate to contact us!
