

# E2E-C04S12-WC-B1 5M

#### E2E-C04S12-WC-B1 5M Information

# **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

## E2E-C04S12-WC-B1 5M Specifications

| Manufacturer Part Number | E2E-C04S12-WC-B1 5M         |
|--------------------------|-----------------------------|
| Manufacturer             | Omron Automation and Safety |
| Category                 | Sensors, Transducers        |
|                          | Proximity Sensors           |
| Package                  | Cylinder                    |
| Series                   | E2E                         |
| Sensor Type              | Inductive                   |
| Sensing Distance         | 0.047" (1.2mm)              |
| Output Type              | PNP-NO, 3-Wire              |
| Response Frequency       | 4kHz                        |
| Shielding                | Shielded                    |
| Material - Body          | Stainless Steel             |
| Voltage - Supply         | 10 V ~ 30 V                 |
| Termination Style        | Cable Leads                 |
| Operating Temperature    | -25°C ~ 70°C                |
| Ingress Protection       | IP67                        |
| Indicator                | LED                         |
| Package / Case           | Cylinder                    |
|                          | Report errors?              |

#### E2E-C04S12-WC-B1 5M Guarantees

**Quality Guarantees** 

We provide 90 days warranty. \* If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

#### **Service Guarantees**

We guarantee 100% customer satisfaction. Our experienced sales team and tech support team back our services to satisfy all our customers.
