

# ECE-A1EV332S

equest a Quote

### **ECE-A1EV332S Information**

| •                  | Part Number  | ECE-A1EV332S  |
|--------------------|--------------|---|
| www.thelevier.com  | Manufacturer | Panasonic Electronic Components   |
|                    | Category     | Capacitors<br>Aluminum Electrolytic Capacitors                            |
|                    | Description  | CAP ALUM 3300UF 20% 25V RADIAL  |
|                    | Package      | Radial, Can   |
|                    |              | For the pricing/inventory/lead time, please contact                       |
| For Reference Only |              | us<br>Website: https://www.heisener.com<br>E-mail: salesdept@heisener.com |

# **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

# **ECE-A1EV332S** Specifications

| Manufacturer Part Number           | ECE-A1EV332S                     |
|------------------------------------|----------------------------------|
| Manufacturer                       | Panasonic Electronic Components  |
| Category                           | Capacitors                       |
|                                    | Aluminum Electrolytic Capacitors |
| Package                            | Radial, Can                      |
| Series                             | -                                |
| Capacitance                        | 3300µF                           |
| Tolerance                          | ±20%                             |
| Voltage - Rated                    | 25V                              |
| ESR (Equivalent Series Resistance) | -                                |
| Lifetime @ Temp.                   | -                                |
| Operating Temperature              | -40°C ~ 85°C                     |
| Polarization                       | -                                |
| Applications                       | General Purpose                  |
| Ripple Current - Low Frequency     | -                                |
| Ripple Current - High Frequency    | -                                |
| Impedance                          | -                                |
| Lead Spacing                       | -                                |
| Size / Dimension                   | 0.197" Dia (5.00mm)              |
| Height - Seated (Max)              | 0.433" (11.00mm)                 |
| Surface Mount Land Size            | -                                |
| Mounting Type                      | Through Hole                     |
| Package / Case                     | Radial, Can                      |
|                                    | Report errors?                   |

#### **ECE-A1EV332S Guarantees**

Quality Guarantees

We provide 90 days warranty. \* If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

# SERVICE

#### **Service Guarantees**

We guarantee 100% customer satisfaction. Our experienced sales team and tech support team back our services to satisfy all our customers.
