

**ECK-A3A101KBP Information**

For Reference Only

**Part Number** [ECK-A3A101KBP](#)  
**Manufacturer** Panasonic Electronic Components  
**Category** Capacitors  
     [Ceramic Capacitors](#)  
**Description** CAP CER 100PF 1KV Y5P RADIAL  
**Package** Radial, Disc

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**ECK-A3A101KBP Specifications**

|                          |                                                  |
|--------------------------|--------------------------------------------------|
| Manufacturer Part Number | <a href="#">ECK-A3A101KBP</a>                    |
| Manufacturer             | Panasonic Electronic Components                  |
| Category                 | Capacitors<br><a href="#">Ceramic Capacitors</a> |
| Package                  | Radial, Disc                                     |
| Series                   | KBP                                              |
| Capacitance              | 100pF                                            |
| Tolerance                | ±10%                                             |
| Voltage - Rated          | 1000V (1kV)                                      |
| Temperature Coefficient  | Y5P (B)                                          |
| Operating Temperature    | -25°C ~ 125°C                                    |
| Features                 | High Voltage                                     |
| Ratings                  | -                                                |
| Applications             | General Purpose                                  |
| Failure Rate             | -                                                |
| Mounting Type            | Through Hole                                     |
| Package / Case           | Radial, Disc                                     |
| Size / Dimension         | 0.236" Dia (6.00mm)                              |
| Height - Seated (Max)    | 0.394" (10.00mm)                                 |
| Thickness (Max)          | -                                                |
| Lead Spacing             | 0.197" (5.00mm)                                  |
| Lead Style               | Formed Leads                                     |
