

**ECS-300CX-128 Information**

For Reference Only

**Part Number** [ECS-300CX-128](#)  
**Manufacturer** ECS Inc.  
**Category** Crystals, Oscillators, Resonators  
[Oscillators](#)  
**Description** OSC XO 12.80MHZ CMOS PC PIN  
**Package** 8-DIP (0.300", 7.62mm)

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**ECS-300CX-128 Specifications**

|                          |                                                                  |
|--------------------------|------------------------------------------------------------------|
| Manufacturer Part Number | <a href="#">ECS-300CX-128</a>                                    |
| Manufacturer             | ECS Inc.                                                         |
| Category                 | Crystals, Oscillators, Resonators<br><a href="#">Oscillators</a> |
| Package                  | 8-DIP (0.300", 7.62mm)                                           |
| Series                   | ECS-300CX                                                        |
| Type                     | XO (Standard)                                                    |
| Frequency                | 12.8MHz                                                          |
| Function                 | Standby (Power Down)                                             |
| Output                   | CMOS                                                             |
| Voltage - Supply         | 5V                                                               |
| Frequency Stability      | ±100ppm                                                          |
| Operating Temperature    | -10°C ~ 70°C                                                     |
| Current - Supply (Max)   | 20mA                                                             |
| Ratings                  | -                                                                |
| Mounting Type            | Through Hole                                                     |
| Package / Case           | 8-DIP (0.300", 7.62mm)                                           |
| Size / Dimension         | 0.504" L x 0.276" W (12.80mm x 7.00mm)                           |
| Height - Seated (Max)    | 0.200" (5.08mm)                                                  |

## ECS-300CX-128 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## ECS-300CX-128 Payment Methods

## ECS-300CX-128 Shipping Methods

If you have any question about ECS-300CX-128, please do not hesitate to contact us!
