

**EHF-110-01-F-D-05 Information**

For Reference Only

**Part Number** [EHF-110-01-F-D-05](#)  
**Manufacturer** Samtec Inc.  
**Category** Connectors, Interconnects  
[Rectangular Connectors - Headers, Male Pins](#)  
**Description** .050 EJECTOR HEADER ASSEMBLY  
**Package** -

| Contact Type               | Male Pin                                                                                 |
| Pitch - Mating             | 0.050" (1.27mm)                                                                          |
| Style                      | Board to Cable/Wire                                                                      |
| Shrouding                  | Shrouded - 4 Wall                                                                        |
| Number of Positions        | 20                                                                                       |
| Number of Positions Loaded | 19                                                                                       |
| Number of Rows             | 2                                                                                        |
| Row Spacing - Mating       | 0.050" (1.27mm)                                                                          |
| Mounting Type              | Through Hole                                                                             |
| Termination                | Solder                                                                                   |
| Fastening Type             | Latch Lock/Eject Hooks                                                                   |
| Contact Length - Mating    | 0.120" (3.05mm)                                                                          |
| Contact Length - Post      | 0.107" (2.71mm)                                                                          |
| Overall Contact Length     | 0.350" (8.89mm)                                                                          |
| Insulation Height          | 0.325" (8.25mm)                                                                          |
| Contact Shape              | Square                                                                                   |
| Contact Finish - Mating    | Gold                                                                                     |

|                                   |                                            |
|-----------------------------------|--------------------------------------------|
| Contact Finish Thickness - Mating | 3μin (0.08μm)                              |
| Contact Finish - Post             | Tin                                        |
| Contact Material                  | Phosphor Bronze                            |
| Insulation Material               | Liquid Crystal Polymer (LCP), Glass Filled |
| Features                          | Keying Slot                                |
| Operating Temperature             | -55°C ~ 125°C                              |
| Ingress Protection                | -                                          |
| Material Flammability Rating      | -                                          |
| Insulation Color                  | Black                                      |
