

**EJH-105-01-S-D-SM-08-K Information**

For Reference Only

**Part Number** [EJH-105-01-S-D-SM-08-K](#)  
**Manufacturer** Samtec Inc.  
**Category** Connectors, Interconnects  
[Rectangular Connectors - Headers, Male Pins](#)  
**Description** .100 X .100 EJECTOR HEADER ASSEM  
**Package** -

| Pitch - Mating             | 0.100" (2.54mm)                                                                          |
| Style                      | Board to Cable/Wire                                                                      |
| Shrouding                  | Shrouded - 4 Wall                                                                        |
| Number of Positions        | 10                                                                                       |
| Number of Positions Loaded | 9                                                                                        |
| Number of Rows             | 2                                                                                        |
| Row Spacing - Mating       | 0.100" (2.54mm)                                                                          |
| Mounting Type              | Surface Mount                                                                            |
| Termination                | Solder                                                                                   |
| Fastening Type             | Latch Lock/Eject Hooks                                                                   |
| Contact Length - Mating    | 0.225" (5.72mm)                                                                          |
| Contact Length - Post      | -                                                                                        |
| Overall Contact Length     | -                                                                                        |
| Insulation Height          | 0.500" (12.70mm)                                                                         |
| Contact Shape              | Square                                                                                   |
| Contact Finish - Mating    | Gold                                                                                     |

|                                   |                              |
|-----------------------------------|------------------------------|
| Contact Finish Thickness - Mating | -                            |
| Contact Finish - Post             | Tin                          |
| Contact Material                  | Phosphor Bronze              |
| Insulation Material               | Liquid Crystal Polymer (LCP) |
| Features                          | Keying Slot, Pick and Place  |
| Operating Temperature             | -55°C ~ 125°C                |
| Ingress Protection                | -                            |
| Material Flammability Rating      | -                            |
| Insulation Color                  | Black                        |
