

**EMC2103-1-KP-TR Information**

For Reference Only

**Part Number** [EMC2103-1-KP-TR](#)  
**Manufacturer** Microchip Technology  
**Category** Integrated Circuits (ICs)  
[PMIC - Thermal Management](#)  
**Description** IC RPM FAN CTRLR 12QFN  
**Package** 12-VQFN Exposed Pad

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**EMC2103-1-KP-TR Specifications**

|                          |                                                                        |
|--------------------------|------------------------------------------------------------------------|
| Manufacturer Part Number | <a href="#">EMC2103-1-KP-TR</a>                                        |
| Manufacturer             | Microchip Technology                                                   |
| Category                 | Integrated Circuits (ICs)<br><a href="#">PMIC - Thermal Management</a> |
| Package                  | 12-VQFN Exposed Pad                                                    |
| Series                   | -                                                                      |
| Function                 | Fan Control, Temp Monitor                                              |
| Sensor Type              | Internal and External                                                  |
| Sensing Temperature      | -                                                                      |
| Accuracy                 | ±2°C                                                                   |
| Topology                 | ADC (Sigma Delta), Multiplexer, Register Bank                          |
| Output Type              | SMBus                                                                  |
| Output Alarm             | Yes                                                                    |
| Output Fan               | Yes                                                                    |
| Voltage - Supply         | 3.3V                                                                   |
| Operating Temperature    | -                                                                      |
| Mounting Type            | Surface Mount                                                          |
| Package / Case           | 12-VQFN Exposed Pad                                                    |
| Supplier Device Package  | 12-QFN (4x4)                                                           |

## EMC2103-1-KP-TR Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## EMC2103-1-KP-TR Payment Methods

## EMC2103-1-KP-TR Shipping Methods

If you have any question about EMC2103-1-KP-TR, please do not hesitate to contact us!
