

**ERZ-VF2M680 Information**

For Reference Only

**Part Number** [ERZ-VF2M680](#)  
**Manufacturer** Panasonic Electronic Components  
**Category** Circuit Protection  
[TVS - Varistors, MOVs](#)  
**Description** VARISTOR 68V 125A 2SMD JLEAD  
**Package** 2-SMD, J-Lead  
 For the pricing/inventory/lead time, please contact us

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**ERZ-VF2M680 Specifications**

|                          |                                                             |
|--------------------------|-------------------------------------------------------------|
| Manufacturer Part Number | <a href="#">ERZ-VF2M680</a>                                 |
| Manufacturer             | Panasonic Electronic Components                             |
| Category                 | Circuit Protection<br><a href="#">TVS - Varistors, MOVs</a> |
| Package                  | 2-SMD, J-Lead                                               |
| Series                   | ZNR?                                                        |
| Varistor Voltage (Min)   | 61V                                                         |
| Varistor Voltage (Typ)   | 68V                                                         |
| Varistor Voltage (Max)   | 75V                                                         |
| Current - Surge          | 125A                                                        |
| Energy                   | 2.5J                                                        |
| Number of Circuits       | 1                                                           |
| Number of Circuits       | 1                                                           |
| Maximum AC Volts         | 40VAC                                                       |
| Maximum DC Volts         | 56VDC                                                       |
| Capacitance @ Frequency  | -                                                           |
| Operating Temperature    | -40°C ~ 85°C (TA)                                           |
| Mounting Type            | Surface Mount, MLCV                                         |
| Package / Case           | 2-SMD, J-Lead                                               |

## ERZ-VF2M680 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## ERZ-VF2M680 Payment Methods

## ERZ-VF2M680 Shipping Methods

If you have any question about ERZ-VF2M680, please do not hesitate to contact us!
