**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**ESE-18RJ01 Specifications**

|                          |   |
|--------------------------|---|
| Manufacturer Part Number | <a href="#">ESE-18RJ01</a>                  |
| Manufacturer             | Panasonic Electronic Components             |
| Category                 | Switches                                    |
|                          | <a href="#">Snap Action, Limit Switches</a> |
| Package                  | -   |
| Series                   | ESE18                                       |
| Circuit                  | SPST-NO                                     |
| Switch Function          | Off-Mom                                     |
| Current Rating           | 10mA (DC)                                   |
| Voltage Rating - AC      | -   |
| Voltage Rating - DC      | 5V  |
| Actuator Type            | Angled Toggle (Detector)                    |
| Mounting Type            | Surface Mount, Right Angle                  |
| Termination Style        | J Lead                                      |
| Ingress Protection       | -   |
| Features                 | -   |
| Operating Force, Torque  | 30gf  |
| Release Force            | -   |
| Pretravel                | -   |
| Differential Travel      | -   |
| Overtravel               | -   |
