

**ESQT-126-03-F-D-405 Information**

For Reference Only

**Part Number** ESQT-126-03-F-D-405  
**Manufacturer** Samtec Inc.  
**Category** Connectors, Interconnects  
 Rectangular Connectors - Headers, Receptacles, Female Sockets  
**Description** ELEVATED 2MM SOCKETS  
**Package** -

| Contact Type                      | Forked                                                                                     |
| Style                             | Board to Board or Cable                                                                    |
| Number of Positions               | 52                                                                                         |
| Number of Positions Loaded        | All                                                                                        |
| Pitch - Mating                    | 0.079" (2.00mm)                                                                            |
| Number of Rows                    | 2                                                                                          |
| Row Spacing - Mating              | 0.079" (2.00mm)                                                                            |
| Mounting Type                     | Through Hole                                                                               |
| Termination                       | Solder                                                                                     |
| Fastening Type                    | Push-Pull                                                                                  |
| Contact Finish - Mating           | Gold                                                                                       |
| Contact Finish Thickness - Mating | 3µin (0.08µm)                                                                              |
| Insulation Color                  | Black                                                                                      |
| Insulation Height                 | 0.405" (10.29mm)                                                                           |
| Contact Length - Post             | 0.053" (1.35mm)                                                                            |
| Operating Temperature             | -55°C ~ 125°C                                                                              |
| Material Flammability Rating      | UL94 V-0                                                                                   |

|                                |     |
|--------------------------------|-----|
| Contact Finish - Post          | Tin |
| Mated Stacking Heights         | -   |
| Ingress Protection             | -   |
