

**ESW-130-48-S-S Information**

For Reference Only

**Part Number** ESW-130-48-S-S  
**Manufacturer** Samtec Inc.  
**Category** Connectors, Interconnects  
 Rectangular Connectors - Headers, Receptacles, Female Sockets  
**Description** ELEVATED SOCKET STRIPS  
**Package** -

| Number of Positions               | 30                                                                                         |
| Number of Positions Loaded        | All                                                                                        |
| Pitch - Mating                    | 0.100" (2.54mm)                                                                            |
| Number of Rows                    | 1                                                                                          |
| Row Spacing - Mating              | -                                                                                          |
| Mounting Type                     | Through Hole                                                                               |
| Termination                       | Solder                                                                                     |
| Fastening Type                    | Push-Pull                                                                                  |
| Contact Finish - Mating           | Gold                                                                                       |
| Contact Finish Thickness - Mating | 30µin (0.76µm)                                                                             |
| Insulation Color                  | Black                                                                                      |
| Insulation Height                 | 0.535" (13.60mm)                                                                           |
| Contact Length - Post             | 0.190" (4.83mm)                                                                            |
| Operating Temperature             | -55°C ~ 125°C                                                                              |
| Material Flammability Rating      | UL94 V-0                                                                                   |

|                        |     |
|------------------------|-----|
| Contact Finish - Post  | Tin |
| Mated Stacking Heights | -   |
| Ingress Protection     | -   |
| Features               | -   |
