

**ETMA180165UD-P6RP-IC Information**

For Reference Only

**Part Number** [ETMA180165UD-P6RP-IC](#)  
**Manufacturer** CUI Inc.  
**Category** Power Supplies - External/Internal (Off-Board)  
[AC DC Desktop, Wall Adapters](#)  
**Description** AC/DC DESKTOP ADAPTER 18V 30W  
**Package** -

| Form                      | Desktop (Class II)                                                                             |
| Input Type                | Cord (Sold Separately)                                                                         |
| Voltage - Input           | 90 ~ 264 VAC                                                                                   |
| Voltage - Output          | 18V                                                                                            |
| Current - Output (Max)    | 1.65A                                                                                          |
| Power (Watts)             | 30W                                                                                            |
| No Load Power Consumption | 300mW (Max)                                                                                    |
| Polarization              | Positive Center                                                                                |
| Applications              | Medical                                                                                        |
| Efficiency                | Level V                                                                                        |
| Operating Temperature     | 0°C ~ 40°C                                                                                     |
| Output Connector          | Barrel Plug R/A, 2.5mm I.D. x 5.5mm O.D. x 9.5mm                                               |
| Size / Dimension          | 4.33" L x 1.97" W x 1.18" H (110.0mm x 50.0mm x 30.0mm)                                        |
|                           | <a href="#">Report errors?</a>                                                                 |

## ETMA180165UD-P6RP-IC Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.
