

**FCX690BTA Information**

For Reference Only

**Part Number** [FCX690BTA](#)  
**Manufacturer** Diodes Incorporated  
**Category** Discrete Semiconductor Products  
[Transistors - Bipolar \(BJT\) - Single](#)  
**Description** TRANS NPN 45V 2A SOT-89  
**Package** TO-243AA  
 For the pricing/inventory/lead time, please contact us

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**FCX690BTA Specifications**

|                                             |                                                                                         |

| Series                                      | -                                                                                       |
| Transistor Type                             | NPN                                                                                     |
| Current - Collector (Ic) (Max)              | 2A                                                                                      |
| Voltage - Collector Emitter Breakdown (Max) | 45V                                                                                     |
| Vce Saturation (Max) @ Ib, Ic               | 300mV @ 5mA, 1A                                                                         |
| Current - Collector Cutoff (Max)            | 100nA (ICBO)                                                                            |
| DC Current Gain (hFE) (Min) @ Ic, Vce       | 400 @ 1A, 2V                                                                            |
| Power - Max                                 | 2W                                                                                      |
| Frequency - Transition                      | 150MHz                                                                                  |
| Operating Temperature                       | -55°C ~ 150°C (TJ)                                                                      |
| Mounting Type                               | Surface Mount                                                                           |
| Package / Case                              | TO-243AA                                                                                |
| Supplier Device Package                     | SOT-89-3                                                                                |

## FCX690BTA Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## FCX690BTA Payment Methods

## FCX690BTA Shipping Methods

If you have any question about FCX690BTA, please do not hesitate to contact us!
