

### FDMF301155 Information

Heisener.com

Part Number FDMF301155

Manufacturer Fairchild/ON Semiconductor
Category Integrated Circuits (ICs)

PMIC - Full, Half-Bridge Drivers

**Description** SMART POWER STAGE (SPS)

Package -

For the pricing/inventory/lead time, please contact

# **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

# FDMF301155 Specifications

Manufacturer Part Number         FDMF301155           Manufacturer         Fairchild/ON Semiconductor           Category         Integrated Circuits (ICs)           PMIC - Full, Half-Bridge Drivers           Package         -           Series         *           Output Configuration         -           Applications         -           Interface         -           Load Type         -           Technology         -           Rds On (Typ)         -           Current - Output / Channel         -           Current - Peak Output         -           Voltage - Supply         -           Voltage - Load         -           Operating Temperature         -           Features         -           Fault Protection         -           Mounting Type         -           Package / Case         -           Supplier Device Package         -		
Category         Integrated Circuits (ICs)           PACKAGE         PMIC - Full, Half-Bridge Drivers           Series         *           Output Configuration         -           Applications         -           Interface         -           Load Type         -           Technology         -           Rds On (Typ)         -           Current - Output / Channel         -           Current - Peak Output         -           Voltage - Supply         -           Voltage - Load         -           Operating Temperature         -           Features         -           Fault Protection         -           Mounting Type         -           Package / Case         -           Supplier Device Package         -	Manufacturer Part Number	FDMF301155
Package         -           Series         *           Output Configuration         -           Applications         -           Interface         -           Load Type         -           Technology         -           Rds On (Typ)         -           Current - Output / Channel         -           Current - Peak Output         -           Voltage - Supply         -           Voltage - Load         -           Operating Temperature         -           Features         -           Fault Protection         -           Mounting Type         -           Package / Case         -           Supplier Device Package         -	Manufacturer	Fairchild/ON Semiconductor
Package         -           Series         *           Output Configuration         -           Applications         -           Interface         -           Load Type         -           Technology         -           Rds On (Typ)         -           Current - Output / Channel         -           Current - Peak Output         -           Voltage - Supply         -           Voltage - Load         -           Operating Temperature         -           Features         -           Fault Protection         -           Mounting Type         -           Package / Case         -           Supplier Device Package         -	Category	Integrated Circuits (ICs)

#### FDMF301155 Guarantees

#### **Quality Guarantees**

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

#### **Service Guarantees**

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.
