

**FH39-25S-0.3SHW(99) Information**

For Reference Only

**Part Number** [FH39-25S-0.3SHW\(99\)](#)  
**Manufacturer** Hirose Electric Co Ltd  
**Category** Connectors, Interconnects  
[FFC, FPC \(Flat Flexible\) Connectors](#)  
**Description** CONN FPC 25POS 0.30MM R/A  
**Package** -  
 For the pricing/inventory/lead time, please contact us

| Mounting Type                | Surface Mount, Right Angle                                                       |
| Connector/Contact Type       | Contacts, Top and Bottom                                                         |
| Number of Positions          | 25                                                                               |
| Pitch                        | 0.012" (0.30mm)                                                                  |
| Termination                  | Solder                                                                           |
| FFC, FCB Thickness           | 0.20mm                                                                           |
| Height Above Board           | 0.044" (1.10mm)                                                                  |
| Locking Feature              | Flip Lock, Backlock                                                              |
| Cable End Type               | Tapered                                                                          |
| Contact Material             | Phosphor Bronze                                                                  |
| Contact Finish               | Gold                                                                             |
| Housing Material             | Liquid Crystal Polymer (LCP)                                                     |
| Actuator Material            | Polyamide (PA), Nylon                                                            |
| Features                     | Zero Insertion Force (ZIF)                                                       |
| Voltage Rating               | 30V                                                                              |
| Operating Temperature        | -55°C ~ 85°C                                                                     |
| Material Flammability Rating | UL94 V-0                                                                         |

## FH39-25S-0.3SHW(99) Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## FH39-25S-0.3SHW(99) Payment Methods

## FH39-25S-0.3SHW(99) Shipping Methods

If you have any question about FH39-25S-0.3SHW(99), please do not hesitate to contact us!
