

**G3M-203P-UTU-1-4 DC5 Information**

For Reference Only

**Part Number** [G3M-203P-UTU-1-4 DC5](#)  
**Manufacturer** Omron Automation and Safety  
**Category** Relays  
     [Solid State Relays](#)  
**Description** RELAY SSR 3A 5VDC PCB  
**Package** 4-SIP

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**G3M-203P-UTU-1-4 DC5 Specifications**

|                           |                                              |
|---------------------------|----------------------------------------------|
| Manufacturer Part Number  | <a href="#">G3M-203P-UTU-1-4 DC5</a>         |
| Manufacturer              | Omron Automation and Safety                  |
| Category                  | Relays<br><a href="#">Solid State Relays</a> |
| Package                   | 4-SIP                                        |
| Series                    | G3M                                          |
| Circuit                   | SPST-NO (1 Form A)                           |
| Output Type               | AC, Zero Cross                               |
| On-State Resistance (Max) | -                                            |
| Load Current              | 3A                                           |
| Voltage - Input           | 4 ~ 6VDC                                     |
| Voltage - Load            | 75 ~ 264 V                                   |
| Mounting Type             | Through Hole                                 |
| Termination Style         | PC Pin                                       |
| Package / Case            | 4-SIP                                        |
| Supplier Device Package   | 4-SIP                                        |
| Relay Type                | Relay                                        |
