**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**GF-642-0029 Specifications**

|                          |  |
|--------------------------|--|
| Manufacturer Part Number | <a href="#">GF-642-0029</a>                |
| Manufacturer             | CW Industries                              |
| Category                 | Switches<br><a href="#">Slide Switches</a> |
| Package                  | -  |
| Series                   | GF   |
| Circuit                  | 4PDT                                       |
| Contact Timing           | Not Specified                              |
| Switch Function          | On-On                                      |
| Current Rating           | 6A (AC), 500mA (DC)                        |
| Voltage Rating - AC      | 125V                                       |
| Voltage Rating - DC      | 125V                                       |
| Actuator Type            | Standard                                   |
| Actuator Length          | 8.74mm                                     |
| Contact Material         | Copper                                     |
| Contact Finish           | Silver                                     |
| Mounting Type            | Panel Mount                                |
| Termination Style        | PC Pin                                     |
| Features                 | -  |
