

**GMD-750-R Information**

For Reference Only

**Part Number** [GMD-750-R](#)  
**Manufacturer** Eaton  
**Category** Circuit Protection  
[Fuses](#)  
**Description** FUSE GLASS 750MA 250VAC 5X20MM  
**Package** 5mm x 20mm

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**GMD-750-R Specifications**

|                                   |  |
|-----------------------------------|--|
| Manufacturer Part Number          | <a href="#">GMD-750-R</a>                |
| Manufacturer                      | Eaton                                    |
| Category                          | Circuit Protection                       |
|                                   | <a href="#">Fuses</a>                    |
| Package                           | 5mm x 20mm                               |
| Series                            | GMD                                      |
| Fuse Type                         | Cartridge, Glass                         |
| Current Rating                    | 750mA                                    |
| Voltage Rating - AC               | 250V                                     |
| Voltage Rating - DC               | -  |
| Response Time                     | Slow                                     |
| Package / Case                    | 5mm x 20mm                               |
| Mounting Type                     | Holder                                   |
| Breaking Capacity @ Rated Voltage | 35A                                      |
| Melting I <sup>2</sup> t          | 4.7                                      |
| Approvals                         | CSA, UL                                  |
| Operating Temperature             | -  |
| Color                             | -  |
| Size / Dimension                  | 0.205" Dia x 0.787" L (5.20mm x 20.00mm) |
