

**GSP500PS48-EF Information**

For Reference Only

**Part Number** [GSP500PS48-EF](#)  
**Manufacturer** XP Power  
**Category** Power Supplies - External/Internal (Off-Board)  
[AC DC Converters](#)  
**Description** AC/DC CONVERTER 48V 500W  
**Package** -

| Type                           | Enclosed                                                                                      |
| Number of Outputs              | 1                                                                                             |
| Voltage - Input                | 85 ~ 264 VAC                                                                                  |
| Voltage - Output 1             | 48V                                                                                           |
| Voltage - Output 2             | -                                                                                             |
| Voltage - Output 3             | -                                                                                             |
| Voltage - Output 4             | -                                                                                             |
| Current - Output (Max)         | 10.5A                                                                                         |
| Power (Watts)                  | 500W                                                                                          |
| Applications                   | ITE (Commercial), Medical                                                                     |
| Voltage - Isolation            | 4kV (4000V)                                                                                   |
| Efficiency                     | 90%                                                                                           |
| Operating Temperature          | -40°C ~ 70°C (With Derating)                                                                  |
| Features                       | Adjustable Output, Load Sharing, Remote On/Off, Remote Sense, Standby Output, Universal Input |
| Mounting Type                  | Chassis Mount                                                                                 |
| Size / Dimension               | 6.71" L x 4.00" W x 1.65" H (170.4mm x 101.6mm x 41.9mm)                                      |
| <a href="#">Report errors?</a> |                                                                                               |

## GSP500PS48-EF Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## GSP500PS48-EF Payment Methods

## GSP500PS48-EF Shipping Methods

If you have any question about GSP500PS48-EF, please do not hesitate to contact us!
