

**GT-CM800L Information**

For Reference Only

**Part Number** [GT-CM800L](#)  
**Manufacturer** Lumex Opto/Components Inc.  
**Category** Circuit Protection  
[Gas Discharge Tube Arresters \(GDT\)](#)  
**Description** GDT 800V 15% 10KA THROUGH HOLE  
**Package** Axial

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**GT-CM800L Specifications**

|                                    |  |
|------------------------------------|--|
| Manufacturer Part Number           | <a href="#">GT-CM800L</a>                          |
| Manufacturer                       | Lumex Opto/Components Inc.                         |
| Category                           | Circuit Protection                                 |
|                                    | <a href="#">Gas Discharge Tube Arresters (GDT)</a> |
| Package                            | Axial  |
| Series                             | -  |
| Voltage - DC Spark Over (Nom)      | 800V   |
| Impulse Discharge Current (8/20μs) | 10000A (10kA)                                      |
| Tolerance                          | ±15%   |
| Number of Poles                    | 2  |
| Fail Short                         | No   |
| Mounting Type                      | Through Hole                                       |
| Package / Case                     | Axial  |
|                                    | <a href="#">Report errors?</a>                     |

## GT-CM800L Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## GT-CM800L Payment Methods

## GT-CM800L Shipping Methods

If you have any question about GT-CM800L, please do not hesitate to contact us!
