

**HFW6R-1STE1HLF Information**

For Reference Only

**Part Number** [HFW6R-1STE1HLF](#)  
**Manufacturer** Amphenol FCI  
**Category** Connectors, Interconnects  
[FFC, FPC \(Flat Flexible\) Connectors](#)  
**Description** CONN FFC BOTTOM 6POS 1.00MM R/A  
**Package** -

| Mounting Type                | Surface Mount, Right Angle                                                       |
| Connector/Contact Type       | Contacts, Bottom                                                                 |
| Number of Positions          | 6                                                                                |
| Pitch                        | 0.039" (1.00mm)                                                                  |
| Termination                  | Solder                                                                           |
| FFC, FCB Thickness           | 0.30mm                                                                           |
| Height Above Board           | 0.075" (1.90mm)                                                                  |
| Locking Feature              | -                                                                                |
| Cable End Type               | Straight or Tapered                                                              |
| Contact Material             | Phosphor Bronze                                                                  |
| Contact Finish               | Tin                                                                              |
| Housing Material             | Polyamide (PA6T), Nylon 6T, Glass Filled, Halogen Free                           |
| Actuator Material            | -                                                                                |
| Features                     | -                                                                                |
| Voltage Rating               | 100V                                                                             |
| Operating Temperature        | -55°C ~ 105°C                                                                    |
| Material Flammability Rating | UL94 V-0                                                                         |

## HFW6R-1STE1HLF Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## HFW6R-1STE1HLF Payment Methods

## HFW6R-1STE1HLF Shipping Methods

If you have any question about HFW6R-1STE1HLF, please do not hesitate to contact us!
