

**HMC659LC5TR Information**

For Reference Only

**Part Number** [HMC659LC5TR](#)  
**Manufacturer** Analog Devices Inc.  
**Category** RF/IF and RFID  
[RF Amplifiers](#)  
**Description** IC MMIC PWR AMP GAAS 32SMD  
**Package** 32-TFCQFN Exposed Pad

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**HMC659LC5TR Specifications**

|                          |                                                 |
|--------------------------|-------------------------------------------------|
| Manufacturer Part Number | <a href="#">HMC659LC5TR</a>                     |
| Manufacturer             | Analog Devices Inc.                             |
| Category                 | RF/IF and RFID<br><a href="#">RF Amplifiers</a> |
| Package                  | 32-TFCQFN Exposed Pad                           |
| Series                   | -                                               |
| Frequency                | 0Hz ~ 15GHz                                     |
| P1dB                     | 27.5dBm                                         |
| Gain                     | 19dB                                            |
| Noise Figure             | 2.5dB                                           |
| RF Type                  | General Purpose                                 |
| Voltage - Supply         | 8V                                              |
| Current - Supply         | 300mA                                           |
| Test Frequency           | -                                               |
| Package / Case           | 32-TFCQFN Exposed Pad                           |
| Supplier Device Package  | 32-CSMT (5x5)                                   |
