## **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

### IEGHF66-35175-5-V Specifications

| Manufacturer Part Number       | IEGHF66-35175-5-V           |
|--------------------------------|-----------------------------|
| Manufacturer                   | Sensata Technologies/Airpax |
| Category                       | Circuit Protection          |
|                                | Circuit Breakers            |
| Package                        | -                           |
| Series                         | IEG                         |
| Breaker Type                   | Magnetic (Hydraulic Delay)  |
| Current Rating                 | -                           |
| Voltage Rating - AC            | -                           |
| Voltage Rating - DC            | -                           |
| Number of Poles                | 2                           |
| Actuator Type                  | Lever                       |
| Illumination                   | -                           |
| Illumination Voltage (Nominal) | -                           |
| Mounting Type                  | Panel Mount                 |
|                                | Report errors?              |

#### IEGHF66-35175-5-V Guarantees

**Quality Guarantees** 

We provide 90 days warranty. \* If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

# SERVICE BUARANTEE

#### **Service Guarantees**

We guarantee 100% customer satisfaction. Our experienced sales team and tech support team back our services to satisfy all our customers.
