

**INA212CIRSWT Information**

For Reference Only

**Part Number** [INA212CIRSWT](#)  
**Manufacturer** Texas Instruments  
**Category** Integrated Circuits (ICs)  
[Linear - Amplifiers - Instrumentation, OP Amps, Buffer Amps](#)  
**Description** IC OP AMP CURR SENSE 10UQFN  
**Package** -  
 For the pricing/inventory/lead time, please contact us

| Amplifier Type                          | Current Sense                                                                                            |
| Number of Circuits                      | 2                                                                                                        |
| Output Type                             | -                                                                                                        |
| Slew Rate                               | 0.4 V/ $\mu$ s                                                                                           |
| Gain Bandwidth Product                  | 4kHz                                                                                                     |
| -3db Bandwidth                          | -                                                                                                        |
| Current - Input Bias                    | 28 $\mu$ A                                                                                               |
| Voltage - Input Offset                  | 0.55 $\mu$ V                                                                                             |
| Current - Supply                        | 65 $\mu$ A                                                                                               |
| Current - Output / Channel              | -                                                                                                        |
| Voltage - Supply, Single/Dual ( $\pm$ ) | 2.7 V ~ 26 V                                                                                             |
| Operating Temperature                   | -40°C ~ 125°C                                                                                            |
| Mounting Type                           | -                                                                                                        |
| Package / Case                          | -                                                                                                        |
| Supplier Device Package                 | -                                                                                                        |

## INA212CIRSWT Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## INA212CIRSWT Payment Methods

## INA212CIRSWT Shipping Methods

If you have any question about INA212CIRSWT, please do not hesitate to contact us!
