#### **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

### **IPT007N06NATMA1** Specifications

| Manufacturer Part Number               | IPT007N06NATMA1                      |
|--|--------------------------------------|
| Manufacturer                           | Infineon Technologies                |
| Category                               | Discrete Semiconductor Products      |
|  | Transistors - FETs, MOSFETs - Single |
| Package                                | 8-PowerSFN                           |
| Series                                 | OptiMOS?                             |
| FET Type                               | N-Channel                            |
| Technology                             | MOSFET (Metal Oxide)                 |
| Drain to Source Voltage (Vdss)         | 60V                                  |
| Current - Continuous Drain (Id) @ 25°C | 300A (Tc)                            |
| Drive Voltage (Max Rds On, Min Rds On) | 6V, 10V                              |
| Vgs(th) (Max) @ Id                     | 3.3V @ 280µA                         |
| Gate Charge (Qg) (Max) @ Vgs           | 216nC @ 10V                          |
| Input Capacitance (Ciss) (Max) @ Vds   | 16000pF @ 30V                        |
| Vgs (Max)                              | $\pm 20 V$                           |
| FET Feature                            | -                                    |
| Power Dissipation (Max)                | 375W (Tc)                            |
| Rds On (Max) @ Id, Vgs                 | 0.75 mOhm @ 150A, 10V                |
| Operating Temperature                  | -55°C ~ 175°C (TJ)                   |
| Mounting Type                          | Surface Mount                        |
| Supplier Device Package                | PG-HSOF-8-1                          |
| Package / Case                         | 8-PowerSFN                           |
|  | Report errors?                       |

#### **IPT007N06NATMA1** Guarantees

Quality Guarantees

We provide 90 days warranty. \* If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

# SERVICE BUARANTEE

#### **Service Guarantees**

We guarantee 100% customer satisfaction. Our experienced sales team and tech support team back our services to satisfy all our customers.

#### IPT007N06NATMA1 Payment Methods

If you have any question about IPT007N06NATMA1, please do not hesitate to contact us! Website: https://www.heisener.com E-mail: salesdept@heisener.com
