

**ISW2405A-H Information**

For Reference Only

**Part Number** [ISW2405A-H](#)  
**Manufacturer** XP Power  
**Category** Power Supplies - Board Mount  
[DC DC Converters](#)  
**Description** DC/DC CONV 1W SMD SNG OUT  
**Package** 10-SMD Module, 6 Leads

| Package                  | 10-SMD Module, 6 Leads                                           |
| Series                   | ISW                                                              |
| Type                     | Isolated Module                                                  |
| Number of Outputs        | 1                                                                |
| Voltage - Input (Min)    | 22.8V                                                            |
| Voltage - Input (Max)    | 25.2V                                                            |
| Voltage - Output 1       | 5V                                                               |
| Voltage - Output 2       | -                                                                |
| Voltage - Output 3       | -                                                                |
| Voltage - Output 4       | -                                                                |
| Current - Output (Max)   | 200mA                                                            |
| Power (Watts)            | 1W                                                               |
| Voltage - Isolation      | 3kV (3000V)                                                      |
| Applications             | ITE (Commercial)                                                 |
| Features                 | SCP                                                              |
| Operating Temperature    | -40°C ~ 85°C                                                     |
| Efficiency               | 73%                                                              |
| Mounting Type            | Surface Mount                                                    |
| Package / Case           | 10-SMD Module, 6 Leads                                           |
| Size / Dimension         | 0.60" L x 0.33" W x 0.28" H (15.2mm x 8.3mm x 7.0mm)             |
