**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**KB16SKW01-12-FF Specifications**

|                                |   |
|--------------------------------|---|
| Manufacturer Part Number       | <a href="#">KB16SKW01-12-FF</a>                 |
| Manufacturer                   | NKK Switches                                    |
| Category                       | Switches<br><a href="#">Pushbutton Switches</a> |
| Package                        | -   |
| Series                         | KB  |
| Type                           | Standard, Illuminated                           |
| Circuit                        | SPDT  |
| Switch Function                | On-On   |
| Current Rating                 | 1A (AC/DC)                                      |
| Voltage Rating - AC            | 125V  |
| Voltage Rating - DC            | 30V   |
| Actuator Type                  | Square, Button                                  |
| Color - Actuator/Cap           | Green   |
| Illumination Type, Color       | Incandescent, Green                             |
| Illumination Voltage (Nominal) | 12 VAC  |
| Mounting Type                  | Panel Mount, Front                              |
| Termination Style              | Solder Lug                                      |
| Ingress Protection             | -   |
| Features                       | -   |
| Panel Cutout Dimensions        | Circular - 12.30mm Dia                          |
