

**KMT071 NGJ LHS Information**

For Reference Only

**Part Number** [KMT071 NGJ LHS](#)
**Manufacturer** C&K

**Category** Switches  
[Tactile Switches](#)
**Description** SWITCH TACTILE SPST-NO 0.05A 32V

**Package** -

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**KMT071 NGJ LHS Specifications**

|                                   |  |
|-----------------------------------|--|
| Manufacturer Part Number          | <a href="#">KMT071 NGJ LHS</a>               |
| Manufacturer                      | C&K  |
| Category                          | Switches<br><a href="#">Tactile Switches</a> |
| Package                           | -  |
| Series                            | KMT0   |
| Circuit                           | SPST-NO                                      |
| Switch Function                   | Off-Mom                                      |
| Contact Rating @ Voltage          | 0.05A @ 32VDC                                |
| Actuator Type                     | Standard                                     |
| Mounting Type                     | Surface Mount                                |
| Actuator Height off PCB, Vertical | 0.65mm                                       |
| Actuator Length, Right Angle      | -  |
| Actuator Orientation              | Top Actuated                                 |
| Termination Style                 | J Lead                                       |
| Outline                           | 3.00mm x 2.60mm                              |
| Illumination                      | Non-Illuminated                              |
| Illumination Type, Color          | -  |
| Illumination Voltage (Nominal)    | -  |
| Operating Force                   | 230gf  |
| Ingress Protection                | IP68 - Dust Tight, Waterproof                |
| Features                          | Tactile Feedback                             |
