

**KPSA1015 Information**

For Reference Only

**Part Number** [KPSA1015](#)  
**Manufacturer** TDK-Lambda Americas Inc.  
**Category** Power Supplies - Board Mount  
[AC DC Converters](#)  
**Description** PWR SPLY BRD MNT 15V 0.67A 10W  
**Package** 4-DIP Module

| Package                  | 4-DIP Module                                                     |
| Series                   | KPSA                                                             |
| Type                     | Open Frame                                                       |
| Number of Outputs        | 1                                                                |
| Voltage - Input          | 85 ~ 264 VAC                                                     |
| Voltage - Output 1       | 15V                                                              |
| Voltage - Output 2       | -                                                                |
| Voltage - Output 3       | -                                                                |
| Voltage - Output 4       | -                                                                |
| Current - Output (Max)   | 670mA                                                            |
| Power (Watts)            | 10W                                                              |
| Applications             | ITE (Commercial)                                                 |
| Features                 | OVP, SCP                                                         |
| Operating Temperature    | 0°C ~ 70°C (With Derating)                                       |
| Efficiency               | 75%                                                              |
| Mounting Type            | Through Hole                                                     |
| Package / Case           | 4-DIP Module                                                     |
| Size / Dimension         | 2.40" L x 1.55" W x 0.90" H (61.0mm x 39.4mm x 22.9mm)           |
