

**KSP2907ATF Information**

For Reference Only

**Part Number** [KSP2907ATF](#)  
**Manufacturer** Fairchild/ON Semiconductor  
**Category** Discrete Semiconductor Products  
[Transistors - Bipolar \(BJT\) - Single](#)  
**Description** TRANS PNP 60V 0.6A TO92  
**Package** TO-226-3, TO-92-3 (TO-226AA) (Formed Leads)  
 For the pricing/inventory/lead time, please contact us

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**KSP2907ATF Specifications**

|                                             |                                                                                         |
|---------------------------------------------|-----------------------------------------------------------------------------------------|

| Series                                      | -                                                                                       |
| Transistor Type                             | PNP                                                                                     |
| Current - Collector (Ic) (Max)              | 600mA                                                                                   |
| Voltage - Collector Emitter Breakdown (Max) | 60V                                                                                     |
| Vce Saturation (Max) @ Ib, Ic               | 1.6V @ 50mA, 500mA                                                                      |
| Current - Collector Cutoff (Max)            | 10nA (ICBO)                                                                             |
| DC Current Gain (hFE) (Min) @ Ic, Vce       | 100 @ 150mA, 10V                                                                        |
| Power - Max                                 | 625mW                                                                                   |
| Frequency - Transition                      | 200MHz                                                                                  |
| Operating Temperature                       | 150°C (TJ)                                                                              |
| Mounting Type                               | Through Hole                                                                            |
| Package / Case                              | TO-226-3, TO-92-3 (TO-226AA) (Formed Leads)                                             |
| Supplier Device Package                     | TO-92-3                                                                                 |

## KSP2907ATF Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## KSP2907ATF Payment Methods

## KSP2907ATF Shipping Methods

If you have any question about KSP2907ATF, please do not hesitate to contact us!
