

**LMR040-0700-40F9-10100TW Information**

For Reference Only

**Part Number** [LMR040-0700-40F9-10100TW](#)  
**Manufacturer** Cree Inc.  
**Category** Optoelectronics  
[LED Lighting - COBs, Engines, Modules](#)  
**Description** LED MOD LMR4 120V 700LM WM WHT  
**Package** -

| CCT (K)                           | 4000K                                                                    |
| Wavelength                        | -                                                                        |
| Configuration                     | Round, Plug and Play                                                     |
| Flux @ Current/Temperature - Test | -                                                                        |
| Current - Test                    | -                                                                        |
| Temperature - Test                | -                                                                        |
| Voltage - Forward (Vf) (Typ)      | -                                                                        |
| Lumens/Watt @ Current - Test      | -                                                                        |
| Current - Max                     | -                                                                        |
| CRI (Color Rendering Index)       | 90                                                                       |
| Viewing Angle                     | -                                                                        |
| Features                          | Dimming - TRIAC                                                          |
| Size / Dimension                  | 103.40mm Diameter                                                        |
| Height                            | 79.45mm                                                                  |
| Light Emitting Surface (LES)      | -                                                                        |
| Lens Type                         | Flat                                                                     |

## LMR040-0700-40F9-10100TW Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## LMR040-0700-40F9-10100TW Payment Methods

## LMR040-0700-40F9-10100TW Shipping Methods

If you have any question about LMR040-0700-40F9-10100TW, please do not hesitate to contact us!
