

**LTC4225IGN-1#PBF Information**

For Reference Only

**Part Number** [LTC4225IGN-1#PBF](#)  
**Manufacturer** Linear Technology  
**Category** Integrated Circuits (ICs)  
[PMIC - Hot Swap Controllers](#)  
**Description** IC CONTROLLER HOT SWAP 24-SSOP  
**Package** 24-SSOP (0.154", 3.90mm Width)

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**LTC4225IGN-1#PBF Specifications**

|                          |                                                                          |
|--------------------------|--------------------------------------------------------------------------|
| Manufacturer Part Number | <a href="#">LTC4225IGN-1#PBF</a>                                         |
| Manufacturer             | Linear Technology                                                        |
| Category                 | Integrated Circuits (ICs)<br><a href="#">PMIC - Hot Swap Controllers</a> |
| Package                  | 24-SSOP (0.154", 3.90mm Width)                                           |
| Series                   | -                                                                        |
| Type                     | Hot Swap Controller, OR Controller                                       |
| Number of Channels       | 2                                                                        |
| Internal Switch(s)       | No                                                                       |
| Applications             | General Purpose                                                          |
| Features                 | Latched Fault, UVLO                                                      |
| Programmable Features    | Current Limit, Fault Timeout, Slew Rate                                  |
| Voltage - Supply         | 2.9 V ~ 18 V                                                             |
| Current - Output (Max)   | -                                                                        |
| Operating Temperature    | -40°C ~ 85°C                                                             |
| Current - Supply         | 2.8mA                                                                    |
| Mounting Type            | Surface Mount                                                            |
| Package / Case           | 24-SSOP (0.154", 3.90mm Width)                                           |
| Supplier Device Package  | 24-SSOP                                                                  |

## LTC4225IGN-1#PBF Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## LTC4225IGN-1#PBF Payment Methods

## LTC4225IGN-1#PBF Shipping Methods

If you have any question about LTC4225IGN-1#PBF, please do not hesitate to contact us!
