Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

## LYQ2-DC12 Specifications

| Manufacturer Part Number | LYQ2-DC12                   |
|--------------------------|-----------------------------|
| Manufacturer             | Omron Automation and Safety |
| Category                 | Relays                      |
|                          | Power Relays, Over 2 Amps   |
| Package                  | -                           |
| Series                   | LY                          |
| Relay Type               | General Purpose             |
| Coil Type                | Non Latching                |
| Coil Current             | 75mA                        |
| Coil Voltage             | 12VDC                       |
| Contact Form             | DPDT (2 Form C)             |
| Contact Rating (Current) | 5A                          |
| Switching Voltage        | 250VAC, 125VDC - Max        |
| Turn On Voltage (Max)    | 9.6 VDC                     |
| Turn Off Voltage (Min)   | 1.2 VDC                     |
| Operate Time             | 25ms                        |
| Release Time             | 25ms                        |
| Features                 | LED Indicator               |
| Mounting Type            | Socketable                  |
| Termination Style        | Plug In                     |
|                          | Report errors?              |

#### LYQ2-DC12 Guarantees

Quality Guarantees

We provide 90 days warranty. \* If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

# Service Guarantees

We guarantee 100% customer satisfaction. Our experienced sales team and tech support team back our services to satisfy all our customers.
