

**M2012TJW01-FF-1A Information**

For Reference Only

**Part Number** [M2012TJW01-FF-1A](#)  
**Manufacturer** NKK Switches  
**Category** Switches  
[Rocker Switches](#)  
**Description** SWITCH ROCKER SPDT 6A 125V  
**Package** -

| Package                        | -                                |
| Series                         | M                                |
| Circuit                        | SPDT                             |
| Switch Function                | On-On                            |
| Current Rating                 | 6A (AC), 4A (DC)                 |
| Voltage Rating - AC            | 125V                             |
| Voltage Rating - DC            | 30V                              |
| Actuator Type                  | Concave (Standard V)             |
| Color - Actuator/Cap           | Green                            |
| Actuator Marking               | No Marking                       |
| Illumination Type, Color       | -                                |
| Illumination Voltage (Nominal) | -                                |
| Mounting Type                  | Panel Mount, Snap-In             |
| Termination Style              | Solder Lug                       |
| Ingress Protection             | -                                |
| Features                       | Epoxy Sealed Terminals           |
| Panel Cutout Dimensions        | Rectangular - 15.90mm x 12.50mm  |
