**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**M2032LL4W01 Specifications**

|                                |                                 |
|--------------------------------|---------------------------------|
| Manufacturer Part Number       | <a href="#">M2032LL4W01</a>     |
| Manufacturer                   | NKK Switches                    |
| Category                       | Switches                        |
|                                | <a href="#">Toggle Switches</a> |
| Package                        | -                               |
| Series                         | M                               |
| Circuit                        | 3PDT                            |
| Switch Function                | On-On                           |
| Current Rating                 | 6A (AC), 4A (DC)                |
| Voltage Rating - AC            | 125V                            |
| Voltage Rating - DC            | 30V                             |
| Actuator Type                  | Locking Lever                   |
| Actuator Length                | 16.50mm                         |
| Illumination                   | Non-Illuminated                 |
| Illumination Type, Color       | -                               |
| Illumination Voltage (Nominal) | -                               |
| Mounting Type                  | Panel Mount                     |
| Termination Style              | Solder Lug                      |
| Panel Cutout Dimensions        | Circular - 6.50mm Dia           |
| Bushing Thread                 | M6 x 0.75                       |
| Ingress Protection             | -                               |
| Features                       | Epoxy Sealed Terminals          |
