# M2GL060T-1FG484M

#### M2GL060T-1FG484M Information

Part NumberM2GL060T-1FG484MManufacturerMicrosemi CorporationCategoryIntegrated Circuits (ICs)

Embedded - FPGAs (Field Programmable Gate

Array)

**Description** IC FPGA 267 I/O 484FBGA

Package 484-BGA

|                                | Embedded - FPGAs (Field Programmable Gate Array) |
| Package                        | 484-BGA                                          |
| Series                         | IGLOO2                                           |
| Number of LABs/CLBs            | -                                                |
| Number of Logic Elements/Cells | 56520                                            |
| Total RAM Bits                 | 1869824                                          |
| Number of I/O                  | 267                                              |
| Number of Gates                | -                                                |
| Voltage - Supply               | 1.14 V ~ 2.625 V                                 |
| Mounting Type                  | Surface Mount                                    |
| Operating Temperature          | -55°C ~ 125°C (TJ)                               |
| Package / Case                 | 484-BGA                                          |
| Supplier Device Package        | 484-FPBGA (23x23)                                |
|                                | Report errors?                                   |

### M2GL060T-1FG484M Guarantees

### **Quality Guarantees**

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

#### **Service Guarantees**

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.
