

**MAX3375EEBL+T Information**

For Reference Only

**Part Number** [MAX3375EEBL+T](#)  
**Manufacturer** Maxim Integrated  
**Category** Integrated Circuits (ICs)  
[Logic - Translators, Level Shifters](#)  
**Description** IC POWER MANAGEMENT  
**Package** 9-WFBGA, CSPBGA

| Package                  | 9-WFBGA, CSPBGA                                                                  |
| Series                   | -                                                                                |
| Translator Type          | Voltage Level                                                                    |
| Channel Type             | Unidirectional                                                                   |
| Number of Circuits       | 1                                                                                |
| Channels per Circuit     | 2                                                                                |
| Voltage - VCCA           | 1.2V ~ 5.5V                                                                      |
| Voltage - VCCB           | 1.65V ~ 5.5V                                                                     |
| Input Signal             | -                                                                                |
| Output Signal            | -                                                                                |
| Output Type              | Open Drain, Tri-State                                                            |
| Data Rate                | 16Mbps                                                                           |
| Operating Temperature    | -40°C ~ 85°C (TA)                                                                |
| Features                 | -                                                                                |
| Mounting Type            | Surface Mount                                                                    |
| Package / Case           | 9-WFBGA, CSPBGA                                                                  |
| Supplier Device Package  | 9-UCSP (1.52x1.52)                                                               |

## MAX3375EEBL+T Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## MAX3375EEBL+T Payment Methods

## MAX3375EEBL+T Shipping Methods

If you have any question about MAX3375EEBL+T, please do not hesitate to contact us!
