# **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

## **MAX6640AEE+ Specifications**

| Manufacturer Part Number     | MAX6640AEE+                                       |                |
|------------------------------|---|----------------|
| Manufacturer                 | Maxim Integrated                                  |                |
| Category                     | Sensors, Transducers                              |                |
|                              | Temperature Sensors, Transducers                  |                |
| Package                      | 16-SSOP (0.154", 3.90mm Width)                    |                |
| Series                       | -   |                |
| Sensor Type                  | Digital, Local/Remote                             |                |
| Sensing Temperature - Local  | 0°C ~ 150°C                                       |                |
| Sensing Temperature - Remote | 0°C ~ 150°C                                       |                |
| Output Type                  | I2C/SMBus   |                |
| Voltage - Supply             | 3 V ~ 3.6 V                                       |                |
| Resolution                   | 11 b  |                |
| Features                     | One-Shot, Output Switch, Sleep Mode, Standby Mode |                |
| Accuracy - Highest (Lowest)  | $\pm 2^{\circ}C (\pm 4^{\circ}C)$                 |                |
| Test Condition               | 25°C ~ 100°C (0°C ~ 125°C)                        |                |
| Operating Temperature        | -40°C ~ 125°C                                     |                |
| Mounting Type                | Surface Mount                                     |                |
| Package / Case               | 16-SSOP (0.154", 3.90mm Width)                    |                |
| Supplier Device Package      | 16-QSOP   |                |
|                              |   | Report errors? |

#### **MAX6640AEE+ Guarantees**

Quality Guarantees

We provide 90 days warranty. \* If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

# SERVICE

#### **Service Guarantees**

We guarantee 100% customer satisfaction. Our experienced sales team and tech support team back our services to satisfy all our customers.

#### MAX6640AEE+ Payment Methods

### MAX6640AEE+ Shipping Methods
