|----------------------------|---------------------------------|
| Manufacturer               | Cypress Semiconductor Corp      |
| Category                   | Integrated Circuits (ICs)       |
|                            | Embedded - Microcontrollers     |
| Package                    | 64-BQFP                         |
| Series                     | F2MC-8L MB89630                 |
| Core Processor             | F2MC-8L                         |
| Core Size                  | 8-Bit                           |
| Speed                      | 10MHz                           |
| Connectivity               | EBI/EMI, Serial I/O, UART/USART |
| Peripherals                | POR, PWM, WDT                   |
| Number of I/O              | 53                              |
| Program Memory Size        | 16KB (16K x 8)                  |
| Program Memory Type        | Mask ROM                        |
| EEPROM Size                | -                               |
| RAM Size                   | 512 x 8                         |
| Voltage - Supply (Vcc/Vdd) | 2.2 V ~ 6 V                     |
| Data Converters            | A/D 8x10b                       |
| Oscillator Type            | External                        |
| Operating Temperature      | -40°C ~ 85°C (TA)               |
| Mounting Type              | -                               |
| Package / Case             | 64-BQFP                         |
| Supplier Device Package    | 64-PQFP (20x14)                 |
|                            | Report errors?                  |
