

**MBB02070C3571DCT00 Information**

For Reference Only

**Part Number** [MBB02070C3571DCT00](#)  
**Manufacturer** Vishay BC Components  
**Category** Resistors  
[Through Hole Resistors](#)  
**Description** RES 3.57K OHM 0.6W 0.5% AXIAL  
**Package** Axial

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**MBB02070C3571DCT00 Specifications**

|                          |                                                     |
|--------------------------|-----------------------------------------------------|
| Manufacturer Part Number | <a href="#">MBB02070C3571DCT00</a>                  |
| Manufacturer             | Vishay BC Components                                |
| Category                 | Resistors<br><a href="#">Through Hole Resistors</a> |
| Package                  | Axial                                               |
| Series                   | MBB/SMA 0207 - Professional                         |
| Resistance               | 3.57 kOhms                                          |
| Tolerance                | ±0.5%                                               |
| Power (Watts)            | 0.6W                                                |
| Composition              | Thin Film                                           |
| Features                 | -                                                   |
| Temperature Coefficient  | ±50ppm/°C                                           |
| Operating Temperature    | -55°C ~ 155°C                                       |
| Package / Case           | Axial                                               |
| Supplier Device Package  | -                                                   |
| Size / Dimension         | 0.098" Dia x 0.256" L (2.50mm x 6.50mm)             |
| Height - Seated (Max)    | -                                                   |
| Number of Terminations   | 2                                                   |
| Failure Rate             | -                                                   |
