

**MC08EA270J-TF Information**

For Reference Only

**Part Number** [MC08EA270J-TF](#)  
**Manufacturer** Cornell Dubilier Electronics (CDE)  
**Category** Capacitors  
[Mica and PTFE Capacitors](#)  
**Description** CAP MICA 27PF 5% 100V 0805  
**Package** 0805 (2012 Metric)

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**MC08EA270J-TF Specifications**

|                          |                                                        |
|--------------------------|--------------------------------------------------------|
| Manufacturer Part Number | <a href="#">MC08EA270J-TF</a>                          |
| Manufacturer             | Cornell Dubilier Electronics (CDE)                     |
| Category                 | Capacitors<br><a href="#">Mica and PTFE Capacitors</a> |
| Package                  | 0805 (2012 Metric)                                     |
| Series                   | MC                                                     |
| Capacitance              | 27pF                                                   |
| Tolerance                | ±5%                                                    |
| Voltage - Rated          | 100V                                                   |
| Dielectric Material      | Mica                                                   |
| Operating Temperature    | -55°C ~ 125°C                                          |
| Mounting Type            | Surface Mount                                          |
| Package / Case           | 0805 (2012 Metric)                                     |
| Lead Spacing             | -                                                      |
| Features                 | RF, High Q, Low Loss                                   |
| Size / Dimension         | 0.079" L x 0.049" W (2.00mm x 1.25mm)                  |
| Height - Seated (Max)    | 0.055" (1.40mm)                                        |
