

**MC100EP57MNTXG Information**

For Reference Only

**Part Number** [MC100EP57MNTXG](#)  
**Manufacturer** ON Semiconductor  
**Category** Integrated Circuits (ICs)  
[Logic - Signal Switches, Multiplexers, Decoders](#)  
**Description** IC MUX ECL DIFF 4:1 3.3/5 20-QFN  
**Package** 20-VFQFN Exposed Pad

| Package                    | 20-VFQFN Exposed Pad                                                                         |
| Series                     | 100EP                                                                                        |
| Type                       | Differential Digital Multiplexer                                                             |
| Circuit                    | 1 x 4:1                                                                                      |
| Independent Circuits       | 1                                                                                            |
| Current - Output High, Low | -                                                                                            |
| Voltage Supply Source      | Dual Supply                                                                                  |
| Voltage - Supply           | ±3 V ~ 5.5 V                                                                                 |
| Operating Temperature      | -40°C ~ 85°C                                                                                 |
| Mounting Type              | Surface Mount                                                                                |
| Package / Case             | 20-VFQFN Exposed Pad                                                                         |
| Supplier Device Package    | 20-QFN (4x4)                                                                                 |

## MC100EP57MNTXG Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## MC100EP57MNTXG Payment Methods

## MC100EP57MNTXG Shipping Methods

If you have any question about MC100EP57MNTXG, please do not hesitate to contact us!
